My personality

(Custom made)

That's why I got the job as a VP

I'm different in my own way

Got my new found fame

Gonna change the old game

Put it in a new frame

True Jackson is the name

Flippin' it up when everybody does the same

Dulce and Versace got nothin' on me

Mad Fashion is where everyone's gonna be

I do what I love

And I love what you do

Hope it shines through when I'm talking to you

From my head to my toes,

It's all real and you know,

Fresh and cool,

It's just what I do.

(Change it up)

Working at a grown-up job,

Never really knew I could work this hard.

Used to sit at home and watch T.V,
Now I'm in the office as a new VP.

I'm always setting trends,
With my two best friends.
When things get out of hand,
We have a plan.

Were just messin' around,
And we making new ground,
For the whole wide world to see.
If you see us in town,
You know it's going down.
Cause I'm a new VP

(Custom made) x3

When I hit the floor
Even on the low
People check my style
It's new and original
It's always been like this
Since I was a kid
Pockets fit my vest
Shoes match my necklace

From my head to my toes,
It's all real and you know,
Fresh and cool,
It's just what I do.
