[VERSE 1]

If you want me to go. I will go.
And I'll give you time to think about
What you just said to me.
If you tell me to leave. I will leave.
And I'll ride with that right down to misery.
I love you farewell.

[CHORUS]

My hearts broken in two pieces.
Guess I wasn't ready for break up season.
He didn't even have a reason.
He just rather see me leavin.
Goodbye Goodbye Goodbye Goodbye
Farewell Farewell Goodbye
Hello to break up season.
Hello to break up season. Oh.

[VERSE 2]

If I wanted to stay, could I please?
And stand right beside you laughing happily.
Just like we used to be.
If you rather me go, just let me be.
Dont lead me on, you know thats wrong.
And I'll be at your front door
liftin up the mat lookin for the key.

[CHORUS]

[BRIDGE:]

I saw the signs but I didn't wanna see the truth.
The clouds moved in and I know it was cause of you.
Eventually everything must come to an end.
I didn't know that today I'd be your ex-girlfriend.

[CHORUS 2x]
