Boy you got my heart be-be-beating out my chest
Hotter than the bass when I drop it like th-th-th-that
Something like a walk-in cardiac arrest
Glad I learned I'm falling for ya call the paramedi-
di-di-di-dics
Now I, know just what I'm doing when I whine
My body like to keep a brother on the side
Now I, now I know baby you don't mind
By the end of the song you'll be mi-i-i-i-ine
Boy don't let me dance alone

Ba-ba-baby don't let the music die-ie-ie
Boy don't let me dance alone
Ba-ba-baby put your hands in the sky-y-y
You could be the fliest dude in this party
Meet me on the floor wrap your arms round my body
So you don't have to dance alone
Don't wanna dance alone, dance alone, dance
alone
Yeah
Dance alone, dance alone, no, dance alone, you
don't have to dance alone

Meaner than an old school cherry Cadillac
My red dress hotter than that engine on fi-i-i-i-re
I'm bouncing up and down like hydraulics
Energizer bunny got you going, going hi-i-i-i-higher
Now I, know just what I'm doing when I whine
My body like to keep a brother on his grind
Now I, now I know baby you don't mind
By the end of this song you'll be mi-i-i-i-ine

Boy don't let me dance alone
Ba-ba-baby don't let the music die-ie-ie
Boy don't let me dance alone
Ba-ba-baby put your hands in the sky
You could be the fliest dude in this party
Meet me on the floor, wrap your arms round my body
So you don't have to dance alone
Don't wanna dance alone, dance alone, dance
alone
Yeah

Dance alone, dance alone, no, dance alone, you
donâ€™t have to da-da-da-da-da-da-dance alone
Dance alone, no, dance alone, you donâ€™t have to
dance alone

Tell me you donâ€™t got a girl, you could be my
boyfriend
Baby tell me what you say, say, say, say
Letâ€™s just keep on dancing
Dancing like my boyfriend
Baby tell me what you say, say, say

Boy donâ€™t let me dance alone
Ba-ba-baby donâ€™t let the music die (donâ€™t let me
dance alone)
Boy donâ€™t let me dance alone
Ba-ba-baby put your hands in the sky (skyyyyy)
You could be the fliest dude in this party (fliest dude in
the partayyyy)
Meet me on the floor, wrap your arms round my body
(arms round my body)
So you donâ€™t have to dance alone (donâ€™t have to
dance, donâ€™t have to dance alone)
Donâ€™t wanna dance alone, dance alone, dance
alone
Boy donâ€™t let me dance alone
Ba-ba-baby donâ€™t let the music die-ie-ie (let the
music die-ie-ie)
Boy donâ€™t let me dance alone (donâ€™t let me
dance alone)
Ba-ba-baby put your hands in the sky (up in the skyyy)
You could be the fliest dude in this party
Meet me on the floor, wrap your arms round my body
So you donâ€™t have to dance alone
Donâ€™t wanna dance alone, dance alone, dance
alone
Yeah
Donâ€™t wanna dance alone
Donâ€™t wanna dance alone, dance alone
