I know there is something that I'm feelin?
But I can't quite put it into words
It's got me hopin?
Hopin? that you feelin? it too
?Cause for me it's a first

Does anyone truly understand
What real love is about?
Don't say I'm too young to know what's real
My heart skips a beat, I can hardly breathe
Every time that he comes near

It's so amazin?, almost crazy
How I'm thinkin? ?bout you lately
Tell me how in the world did it come to this?
It took me by surprise
When you opened my eyes
To hopefully show me what love is

(How will I know?)
Could it be the butterflies I feel
Whenever I'm with you?
(How will I know?)
Or the way I'm at a loss for words
I can hardly keep my cool

(How will I know?)
Everyday now, stop, stop, stop
I keep thinkin? ?bout you
How will I know I'm in love?

(How will I know?)
Could it be the butterflies I feel
Whenever I'm with you?
(How will I know?)
Or the way I'm at a loss for words
I can hardly keep my cool

(How will I know?)
Everyday now, stop, stop, stop
I keep thinkin? ?bout you
How will I know I'm in love?

Somebody tell me
Will I ever know?
Somebody tell me
Will I ever know?

If it ain't love
Then tell me why am I always
Searchin' for excuses to call?
And if it ain't love
Then tell me why am I always
Hopin' to see him in the hall?

And if it ain't love
Somebody tell me why I lie awake at night
Starin' at the walls?
And if this is love
Then I don't really need it
?Cause I'm happy here with no love at all

It's so amazin', almost crazy
How I'm thinkin' ?bout you, baby
Still I don't really know if this is real
I want you so much more but I'm unsure
If this is true love that I feel

(How will I know?)
Could it be the butterflies I feel
Whenever I'm with you?
(How will I know?)
Or the way I'm at a loss for words
I can hardly keep my cool

(How will I know?)
Everyday now, stop, stop, stop
I keep thinkin' ?bout you
How will I know I'm in love?

(How will I know?)
Could it be the butterflies
I feel whenever I'm with you?
(How will I know?)
Or the way I'm at a loss for words
I can hardly keep my cool

(How will I know?)
Everyday now, stop, stop, stop
I keep thinkin' ?bout you
How will I know I'm in love?
How will I know? Yeah

(How will I know?)
Could it be the butterflies I feel
Whenever I'm with you?
(How will I know?)
Or the way I'm at a loss for words
I can hardly keep my cool?

(How will I know?)
Everyday now, stop, stop, stop
I keep thinkin' 'bout you
How will I know I'm in love?

(How will I know?)
Could it be the butterflies I feel
Whenever I'm with you?
(How will I know?)
Or the way I'm at a loss for words
I can hardly keep my cool

(How will I know?)
Everyday now, stop, stop, stop
I keep thinkin' 'bout you
How will I know I'm in love?

(How will I know?)
Could it be the butterflies I feel
Whenever I'm with you?
(How will I know?)
Or the way I'm at a loss for words
I can hardly keep my cool

(How will I know?)
Everyday now, stop, stop, stop
I keep thinkin' 'bout you
How will I know I'm in love?
