Keke Palmer
"It's A Wrap"

Uh oh, uh oh
Uh oh, uh oh
Uh oh, uh oh
Uh oh, uh oh

What would it take
To get you to come talk to me
N-No I can't sleep on this energy
'Tween you and me
Why can't you see
That I'm feeling you

Catch my breath boy
You're what's on my mind
I can't speak; I'm running out of time
I can't wait another minute to tell you
You

It's a wrap
You're a superstar
It's a wrap
Know that's who you are
I'm a play my cards right
Know you got my heart
It's a wrap
So superstar

Before I get it started
Up in here
I wanna know you're feeling me so
Crystal clear
It's a wrap
You're a superstar
It's a wrap (It's a wrap)

Make no mistake

A part of me is holding back
Cause I've seen more fiction than fact
Can you change that
I need to know you care
See you with me

Catch my breath boy
You're what's on my mind
I can't speak; I'm running out of time
I can't wait another minute to tell you
You
You

It's a wrap
You're a superstar
It's a wrap
Know that's who you are
I'm a play my cards right
Know you got my heart
It's a wrap
So superstar

Before I get it started
Up in here
I wanna know you're feeling me so
Crystal clear
It's a wrap
You're a superstar
It's a wrap (It's a wrap)

So, now you know what's going on
Please don't tell me that I'm wrong
All my patience is gone
And I don't know if I could be strong
Doing all I can do to keep my composure, but

It's a wrap
It's a wrap
(It's a wrap, it's a wrap)
It's a wrap
It's a wrap
It's a wrap

It's a wrap
You're a superstar

It's a wrap
Know that's who you are
I'm a play my cards right
Know you got my heart
It's a wrap
So superstar

Before I get it started
Up in here
I wanna know you're feeling me so
Crystal clear
It's a wrap
You're a superstar
It's a wrap (It's a wrap)
