This time for real,  
Tired of playin it safe  
Inside I feel I've got what it takes  
To prove to the world  
Who I really can be  
I know for sure  
There's no stoppin' me

No time to wait on the side  
Watchin it all pass me by  
I'm gonna be in the game  
Watch me play it  
I'm commin' with it ya know  
Let's get to start in the show  
Turn up the lights hit the stage  
No more waitin'

It's my turn now,  
And you know that I'm ready  
Its my turn now,  
Yeah I'm strong and I'm steady.  
Break down the wall,  
Gonna go for real.  
It's my time gonna shine  
Show you how  
Because it's my turn now.

Oh oh  
What  
Oh oh

I'm in my groove  
Now I'm havin some fun  
I know what to do (what to do)  
And how to get it done

Do my thing  
Double time  
And there's no more than that  
Make it good  
Make it right  
Hear the crowd react

No time to wait on the side  
Watchin it all pass me by  
I'm gonna be in the game  
Watch me play it  
I'm commin with it ya know  
Let's get to start in the show  
Turn up the lights hit the stage  
No more waitin'

It's my turn now,  
And you know that I'm ready  
Its my turn now,  
Yeah I'm strong and I'm steady.  
Break down the wall,  
Gonna go for real.  
It's my time gonna shine  
Show you how  
Because it's my turn now.

It's my turn now  
In my heart I believe it.  
If I can see how,  
I can live what I'm dreamin' (I'm ready oh!)  
I understand  
Now I know who I am.  
It's my chance  
Gonna dance,  
Play it loud  
Because it's my turn now.

What  
My turn now  
Oh oh oh oh  
My turn!

1,2, now I do  
Just what I've always wanted to  
3,4 do some more  
Everything you ever wanted  
And been waitin' for

It's my turn now,  
And you know that I'm ready  
Its my turn now,  
Yeah I'm strong and I'm steady.  
Break down the wall,  
Gonna go for real.  
It's my time gonna shine  
Show you how  
Because it's my turn now.

It's my turn now  
In my heart I believe it.  
If I can see how,  
I can live what I'm dreamin'  
I understand  
Now I know who I am.  
It's my chance  
Gonna dance,  
Play it loud  
Because it's my turn now!
