(Chorus)

Woke up in the mornin
And I see the sun shine
Only got the summertime on my mind (ohhh ohh)
My girls and I we kick it all the time
Only got the summertime on my mind (ehhh)
We keep it movin' (ay yo ay yo)
We keep it movin' (ay yo ay yo)
We keep it movin' (ohhh oh oh ohh)

(Verse)

Everybody know that school's out

You know this one goes out to all of my homies
It's what we've been waitin for
It's 92 (outside)
Let's make our move
And get into a little something
Radio's blastin'
Let's make this happen
Homies and shawdys (stand up stand up)
Stand up lets get this party on
Let's do this now
Be young and proud
Show em how we hold it down
Get it get it

212 and 310 about to twork it out
Get, get, get it, get it
Come on now let's go on down
Everybody feelin' just fine (summertime)
