Sitting up at night and
I'm wonderin why my fairytail
Can't Become a reality.
Everything I've seen,
Seems so out of reach
MayBe it's just that impossible.

Where's my knight and shining armor to save me
Feels like I've Been waiting so long.
Can you hear me calling out for u baby
Take my hand and make me the one.

Since forever I have known.
That the rockets stand alone.
I am waiting on that one.
That I can call my own.
When I wait in my sleep
I can only think one thing.
Where's my jay-z looking for Beyonce?
Prince charming looking for a same thing?
Will I ever-ever-ever find that keke love? (4x)

All I really want is a guy
That can hold me down for real.
One who understands how I feel.
And that knows how to
Make me smile when I feel down.
One who wipes my tears away.
When they come falling down.
Knows just what to say.
When no one else is around.

BRIDGE
CHORUS

THE BIGGER THEY ARE.
THE HARDER THEY FALL.
I MUST BE TOO SMALL
CAUSE I AINT FALLIN AT ALL
THEY SAY LOVE CONQUERS ANYTHING
WHY WONT YOU COME

HERE AND CONQUER ME
I NEVER FIND, I WALK AROUND
WITH MY EYES CLOSED.
IN LOVERS TIME, I WAIT AROUND
TIL THE CLOCK STROKES.
CAUSE I WANT IT, I NEED IT GOTTA HAVE IT,
IT'S HARD TO BREATHE WITHOUT IT
I NEED IT, I WANT IT. GOTTA HAVE IT.
L - O - L - O - L - O - L - O
