[Piano plays]

When I first saw you didn't know what to think
But something about you is so interesting
I could see me and you being best friends
The kind of friends that finish each other's sentences

When I can't think of the right words to say
I just sing oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
Come on and harmonize with my melody
And we'll sing oh oh oh oh oh oh oh
Ain't it a perfect harmony

I would have never thought I'd be here with you
To start a friendship that is so brand new
It's so amazing I have to say
Never met someone that had so much in common with me

Now I can look into your eyes all day
And just say oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
I wanna harmonize with your melody
And we'll sing oh oh oh oh oh oh oh
Ain't it a perfect harmony

Sometimes in your lifetime you
look and you search for someone just to care
Look around and it was there
And didn't need to go no where

When I can't think of the right words to say (right words to say)
I just sing oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh
Come on and harmonize with my melody
And we'll sing oh oh oh oh oh oh oh

Ain't it a perfect harmony

You got me (I got you)

I got you (You got me)

Yeah you got me (I got you)

A perfect harmony
