I follow my dreammsss
You'd think they were nightmares
The way they screamed
I'll make them believe (who)

Someday Someday

I'm gonna be the next big thing

I never doubt my dreams always live em out
Ima tell the world
They gonna hear me out
Just give me one mic
So I can scream it loud
I just need someone that I can make proud
Cause I can't wait for that someday
That someday it is coming
I wanna share my life with someone who loves me just
for me

Hey Hey

I wanna wish up to the stars again
I wanna see the lights in the crowd in the stands
See myself glam like a dream in the past
And everything I want Ima get it at last Okay
And I know that there's no limit to put you in all them
dreams an
We gon' make it
And tell the world that the best is in

I follow my dreammsss
You'd think they were nightmares
The way they screamed
I'll make them believe (who)

Someday Someday

I'm gonna be the next big thing

Someday I'll be the next (be the next) big thing

Someday I'll be the next (be the next) big thing
Someday I'll be the next (be the next) big thing
Someday Someday
I'm gonna be the next big thing

Now that I'm older
I think about it I was really having fun
Too cool about it
I guess mom's was predicting the future
She knew that one day I was gonna move ya Okay
But now I see everything a little different
The world looks bigger, the sky is the limit
I'm always looking out for myself and family
They gonna be surprised, shoutin' out

Ooo-eee

I got it everything my mama wanted from me
I got it anybody come take it from me
I got it cause it's all us
So close I can dream about it
I can feel I got it (music) I'm all about it
I'm here to make a change Ima be about it
I didn't come this far to stop now
And I can't rest until I get it

I follow my dreamsss
You'd think they were nightmares
The way they scream
I'll make them believe (whoo)

Someday Someday

I'm gonna be the next big thing
Someday I'll be the next (be the next) big thing
Someday I'll be the next (be the next) big thing
Someday I'll be the next (be the next) big thing
Someday Someday
I'm gonna be the next big thing

One day I'm gonna be king of the palace
When I rain there be a new balance (everything will be
okay)
Every single day, all dayyyy
You can follow me, If you wanna go, Ima take the lead
I got the star roll, twinkle in the night like the star goes
When you see us tonight

The next big thing!

Someday I'll be the next (be the next) big thing

Someday I'll be the next (be the next) big thing
Someday I'll be the next (be the next) big thing

Someday Someday

I'm gonna be the next big thing!
