oh really ? so you sittin at home
got bored and you called me up
you so silly ! did you think that I
be hangin around just waitin on ya ?
well who are you kiddin ?
you girlfriend probably just dumped you
so you went through your phone just to see who
pick up, but it wont be me

not gonna be the one you call
cuz you missed out on the good ones
now you feelin lonely
not gonna be the one you call
i forgot all about you
why you wanna know me ?
not gonna be the one you call
you should really go back to her
cuz right now you get on my nerves
cuz im not gonna be the one you call

so you dont missin, did you not get the hint ?
when i said im not interested
with me your times went out
don't you think you should give up now ?
well who are you kiddin ?
i know for a fact your girl dumped you
heard you took it real hard, gotta feel sorry for you
but it wont be me

not gonna be the one you call

cuz you missed out on the good ones
now you feelin lonely
not gonna be the one you call
i forgot all about you
why you wanna know me ?
not gonna be the one you call
you should really go back to her
cuz right now you get on my nerves
cuz im not gonna be the one you call

now I know it's hard to get over a break-up

but what gives you the right to think im gonna wait up
dont you see that you're playin yourself
try ring your promise to somebody else
so when you feelin lonely next time, dont call me !

not gonna be the one you call
cuz you missed out on the good ones
not gonna be the one you call
now you feelin lonely
not gonna be the one you call
i forgot all about you
why you wanna know me ?
not gonna be the one you call
you should really go back to her
cuz right now you get on my nerves
cuz im not gonna be the one you call
