tonight is the right night everybody's alright
yo feel it in my bones
we gon' make it out of sight
so if your ready go party to the daylight
comin' alive with me
baby don't be shy
it's time to come alive yeah have a good time so get
your hands high
groove cuz your feel is right
under the moonlight
nod your head with me

when the night time comes we go wild
Madness under the moon is our style.
Do what we want, the magic is right.
This party under the morning in light.
on and on and
on and on and
on and on and
on and on til the mornin'
until the sun comes up
we keep ballin'
me and my darlin'
dream til' we fallin'
on and on and
on and on and
on and on and
on and on til the mornin'
for a young the night is still young
yeah we gon' party 'til de party done

tonight is the right night everybody's alright
yo feel it in my bones
we gon' make it out of sight
so if your ready go party to the daylight
comin' alive with me
baby don't be shy
it's time to come alive yeah have a good time so get
your hands high
groove cuz your feel is right
under the moonlight
nod your head with me

Come with me, let's get away, out all night, and sleep
all day. I don't care what people saying. Goin' and goin'
and goin' my way. After dark, we get it poppin'. Once it
comes, the life, there's no stoppin'. Hit the feeling,
catch the flow. Of the nighttime groove, here it goes.

Y'all is slippin' on a pina colada, build in dunno in a full
suit of water, she all can know what she got from her
mother, club is on fire, but no need for water. Ooh,
everybody's ravin', girls on the dance floor
misbehavin'. Nobody discover the switch, everybody
close up, so you know what everyone is cravin'. Hey!
