"Top Of The World"

[Verse 1:]

Got me feelin so good
Everything's on my side
Nothin I can do now but just smile
I wouldn't change if it I could
I don't like wastin time
I'd rather spend it in the sunshine

[Backing Vocals:]

Too young for worries on my mind
Can't say a thing to take this feeling away

[Hook:]

Ain't nothin gonna bring me down (oh no)
I'm sittin on top of the world
I got my girlfriends with me, ya
It's all gonna work itself out (Uh huh)
I'm sittin on top a the world
I'm sittin on top a the world

[Verse 2:]

It's too easy to be kind
Not hard to walk away
Too complicated isn't my style
When I open up my eyes
To another day
I know I can get there If I just try

[Backing Vocals:]

Too young for worries on my mind
Can't say a thing to take this feeling away

[Hook:]

Ain't nothin gonna bring me down (oh no)
I'm sittin on top of the world
I got my girlfriends with me, ya
It's all gonna work itself out (Uh huh)
I'm sittin on top a the world
I'm sittin on top a the world

[Bridge:]

Some birds were meant to fly so high
You'd almost swear they touch the sky
Here with my girls the world is ours
So believe me ain't nothing nothing no

[Hook:]

Ain't nothin gonna bring me down (oh no)
I'm sittin on top of the world
I got my girlfriends with me, ya
It's all gonna work itself out (Uh huh)
I'm sittin on top a the world
I'm sittin on top a the world
