Experience is a good teacher,
Take someone like me to know.
All of the games that people tend to play
So call in love and never has a chance to grow.

You deserve something better, I keep telling myself Just be patient true love you'll find I find the found someone who became my friend And in a matter of time Real lost within.

The... I had to tell everyone Under... happiness turn me around.

Chorus:

I'm in love under new management,
I'm in love under new management,
I'm in love under new management,
Yeahh
Someone very special came into my life
And no one takes his place, take my baby's place
He filled my heal to... to

I... that someone who can take care of business
You know we treat each other so well
And back together came all the peace
It's time to celebrate
You see I never... taht I could
The close time... I have to tell every...
I knew what happiness turned me...

I'm in love under new management,

Chorus:

I'm in love under new management,
I'm in love under new management,
Yeahh
Someone very special came into my life
And takes his place, and takes his place
He filled my heal to... to
I'm in love under new management, under new
I'm in love under new management, in love, in love in

love I'm in love under new.

Ladies if you know what I'm talking bout Tell can your man put it down I feel my man all over my body My baby makes my body go crazy uhh.

I'm in love under new management
I'm in love
I'm in love under new management
Yeah yeah yeah yeahh
... that I need you, that I'm gonna have
Someone special came into my life
Someone better special came into my life
Someone better there is... ohh
