So tired, tired of these drama
No more, no more
I wanna ba free
I'm so tired, so tired

Broken heart again
Another lesson learn
Better know your friends
Or else you will get burn
Gotta count on me
Cause I can guarantee
That I'll be fine

No more pain (no more pain)
No more pain (no more pain)
No drama (no more drama in my life)
Noone's gonna make me hurt again

What a player fool
Go through ups and downs
Nowhere and all the time
you wouldn't be around
Or maybe U like the stress
Cause I was young and restless
But there was long ago
I don't wanna cry no more

No more pain (no more pain)
No more game (no more game messin with my mind)
No drama(no more drama in my life)
Noone's gonna make me hurt again
No more tears(no more tears,Im tired of cryin
everynight)
No more fears(no more fears I really don't wanna cry)
No drama(no more drama in my life)
I don't ever wanna hurt again
Wanna speak my mind, wanna speak my mind

Uh, it feels so good
when you let go
Avoid these drama in your life
Now you're free from all the pain

Free from all the game
Free from all the stress
So bye your happiness
I don't know
Only God knows where the story is
For me, But I know where the story begins
It's up to us to choose
Whatever we win or lose
And I choose to win

No more pain(no more pain)
No more game(tired of your playin' games with my
mind
No drama (no more drama in my life
No more,no more,no more,no more
No more tears(no more tears, no more cryin evernight)
No more fears(no more waking me up in the morning)
No drama, no more in my life

No more drama, no more drama
No more drama, no more drama
NO MORE DRAMA
NO MORE DRAMA
NO MORE DRAMA
NO MORE DRAMA
No more drama in my life
So tired, tired of this drama
