You've been talking like I ain't been doing it like I used

Nuthin' back, you bout to get it yeah the way you keep
on calling
Me out
It's bout to be a showdown yeah, and I'm ready to
thrown down yeah
Imma tie my hair up, we bout to go head up, we gone

Bed up, I hope you ready yeah

(Chorus)

Imma make your body tap out, til you can't take it no
more
Take it down to the floor, wont stop until I make your
body tap
Out, you talking now but boy you will be wearing down,
be banging on
The headboard, headboard, 1-2-3 be banging on the
headboard, headboard
We been at it for a while now we throwing in the towel,
body's shaking
Like it know it's time now

Now I got you right where I want you, you aint fighting
back cause you don't

Wanna lose yeah what's your name now bae
It's just the beginning, we're far from finish
It's bout to be a showdown yeah, and I'm ready to
thrown down yeah
Imma tie my hair up, we bout to go head up, we gone
mess this
Bed up, I hope you ready yeah

Chours

(It started on the counter), You know how we do it
(And now we on the bed), I'll backup what I said

You pulling on my hair, we'll touch every position until
you
Submit yeah it's all said, now right after we finish tell
me I, tell me I am the winner

Chorus
