Oh oh oh yeah

Guess it was not meant to be
It's not bad as it seems
It only burns when I breathe
Yeah yeah yeah
You saw the way that I fell
But I'm better off by myself
That's the tale I like to tell
Yeah

But it's not that easy for me to say goodbye
Everything in me wants you back in my life
Can't let you go
Can't let you go

It feels like the dawn of the dead
Like bombs going off in my head
Never a moment of rest
Yeah yeah yeah
Nothing kills more than to know
That this is the end of the road
And I know I gotta let go
Oh oh

It's not that easy for me to say goodbye
And everything in me wants you back in my life
Can't let you go
Can't let you go
Can't let you go
Can't let you go
Oh oh oh

Wish I could just find a way
To have all your memories erased
'Cause constantly they're haunting me
Yeah yeah

But it's not that easy for me to say goodbye
And everything I do I want you back in my life
Can't let you go

Can't let you go
Can't let you go
Can't let you go
Oh oh

I can't let you go oh
I can't let you go
