Why do you have to be angry?  
Why do you have to be mean?  
Why do you have to pick bad days  
To take it out on me?  
How do I make you happy?  
How do I make you see?  
That I don't have to steal anything  
To get what I need

So keep the handouts  
And the foolish wisdom  
Save it up for a rainy day  
'Cause I'm gone tomorrow  
When life gets better  
And don't forget to stay out of my way

I'm not about to roll over  
I'm not about to give in  
You can say anything that you want to  
But I'm not listening  
'Cause I make a pretty good living  
I got a beautiful wife  
I don't need these distractions  
Rustlin' up my life

So keep the money  
And the good intentions  
Save it up for a rainy day  
And just remember this conversation  
And don't forget to stay out of my way

So keep the handouts  
And the foolish wisdom  
Save it up for a rainy day  
'Cause I'm gone tomorrow  
When life gets better  
Don't forget to stay out of my way
