And I'm sinking in emancipation
But I know that it shows that I'm atching you
Turning on
Turning on
And I'm feeling the liberation
Till the dawn, till the dawn, and I'm inside you
Turning on
Turning on

Take you down till you get there
Mistaken journey we're on
Come on my lover and bite me
Keep me high until dawn

And I'm racing toward exploitation
Holding on, holding on till we see we're now
Turning on
Turning on
And I'm getting so saturated
And I long, and I long to be tasting you
Turning on
Turning on

And I hope that we play now
In your immaculate lair
Do a dare if you fear me
And you're craving the dare
Do you like to be hunted
By a snake in the grass
And now you're spinning around
You'll be delivered at last

Your turn on
Your turn on
Your turn on
You're turning on
You're turning on
You're turning on
Turning on

Turn on

Turn on
Turn on
You turn on
You turn on, yeah
