Moon shine on the bayou  
Love shrine break the taboo  
I wanna know what's in your potion  
Bound by total devotion

I was lookin' for love all over  
You're the hunter and I'm your prey  
Now I'm lost in a love hangover  
I try to leave but I have to stay

'Cause it's voodoo voodoo voodoo (under your spell)  
'Cause it's voodoo voodoo voodoo (under your spell)

Swamp sings over the bazaar  
Snake bites aligning stars  
I'm in rapture there is no cure  
No sanctuary from your allure

I was lookin' for love all over  
You're the hunter and I'm your prey  
Now I'm lost in a love hangover  
I try to leave but I have to stay

'Cause it's voodoo voodoo voodoo (under your spell)  
'Cause it's voodoo voodoo voodoo (under your spell)

'Cause the voodoo you do  
Is all that can do  
To make me into your fool  
'Cause when you do voodoo  
I'm just like a doll  
That pins keep pushing into

So every time I try to break this transe  
I'm almost afraid I'll miss my chance  
To be bewitched by the bayou  
I just gotta say I want your hex  
I don't want to live without your hex  
I'm so obsessed with your sexiness

Yeah...

'Cause it's voodoo voodoo voodoo (under your spell)  
'Cause it's voodoo voodoo voodoo (under your spell)  
'Cause it's voodoo voodoo voodoo (under your spell)  
'Cause it's voodoo voodoo voodoo (under your spell)  
(So obsessed with your sexiness)
