Girl, girl with every minute you amaze me girl, girl with
Every minute you amaze me
I got the feeling but I could never tell that you
Wanted me
I never thought I could fall under your spell
But you made me I looked into your eyes, then I was
Hypnotised
You make me feel like I never felt before
You looked into my eyes and then I realised that all I
Had to do was come and tell you
That I need you girl, that I want you in my world
All I have to know is
Don't you
Don't you know

Chorus:

Girl, you drive me crazy with every minute you amaze
me

Girl, you drive, me crazy with every moment you
amaze me

I got to dealing that I had ypu in my life
And you wanted me I've got a feeling I never knew
I thought I all I had to do was come ans tell you
That I need you girl, that I want you in my world
All I have to know
Don't you, don't you know that girl

Repeat chorus

Girl, girl, girl I looked into your eyes, then I was
Hypnotised
I want you in my world
You looked into my eyes and then I realised
Don't you, don't you know that
