Ooh, yeah, oooh, yeah

I can picture us in the living room
by the mantle piece
and you're tellin me you're lovin me
put your hands on my face
while I'm starin in yo brown eyes
and the expression on your face
is tellin me you want my better taste
so tonight we're goin all the way
we'll be lovin til the break of day

There's nothin in this world I wouldn't do for you boy
I don't care what the others say now that I got you babe
No one can bring me joy like you girl
All the little things you do its all about you boo

I can picture us runnin in the rain
After a movie then we spark a flame
Oh I love it when you scream my name
Goin 60 in a 30 lane
We pull over to the parkin lot
In the part that's my favorite spot
Doing just about anything
We'll be goin til the birds sing

There's nothin in this world I wouldn't do for you boy
I don't care what the others say now that I got you babe
No one can bring me joy like you girl
All the little things you do its all about you boo

I think its bout time that I make your mine
Oh what your saying to me boy come on break it down
To find another like you will be a lifetime
I think I see where you're going baby let it out let it out
Listen to me baby got something to say
Is it really what I think don't take all day
Forever is what I wanna give to you so what do you say
Baby I do

There's nothin in this world I wouldn't do for you boy

I don't care what the others say now that I got you babe
No one can bring me joy like you girl
All the little things you do its all about you boo (2x)
