Ooh, yeah, ooh, yeah, yeah

I can picture us in the living room by the mantle piece
And you're tellin' me, you're lovin' me with your hands
on my thighs
While I'm starin' in your brown eyes
And the expression on your face is tellin' me you want
my better taste
So tonight we're goin' all the way, well, be lovin' till the
break of day

There's nothin' in this world I wouldn't do for you, boy
I don't care what the others say, now that I got you
babe
No one can bring me joy like you girl
All the little things you do, it's all about you boo

I can picture us runnin' in the rain after a movie, then
we spark a flame
Oh, I love it when you scream my name goin' 60 in a 30
lane
We pull over to the parkin' lot in the part that's my
favorite spot
Doing just about anything, well be goin' till the birds
sing

There's nothin' in this world I wouldn't do for you, boy
I don't care what the others say, now that I got you
babe
No one can bring me joy like you girl
All the little things you do, it's all about you boo

I think it's 'bout time that I make your mine
Oh, what you're saying to me boy, come on, break it
down
To find another like you will be a lifetime
I think I see where you're going baby, let it out, let it out

Listen to me baby, got something to say
Is it really what I think? Don't take all day
Forever is what I wanna give to you
So what do you say, baby I do

There's nothin' in this world I wouldn't do for you, boy
I don't care what the others say, now that I got you
babe
No one can bring me joy like you girl
All the little things you do, it's all about you boo

There's nothin' in this world I wouldn't do for you, boy
I don't care what the others say, now that I got you
babe
No one can bring me joy like you girl
All the little things you do, it's all about you boo
