(verse 1)

I ain't got no story
Not much to tell
Ain't got no rep for you baby
I don't do well
And I know you've only known me
For a short time
Sometimes life's history
Ain't what its made up to be yeah yeah

(bridge)

Some people spend their time
Running away from whats right
Sure don't wanna run, I sure don't wanna run from you
yea yea
Here is what I could do...

(chorus)

My love, so good
My love, just for you ooh, oh, my love

(verse 2)

See everything baby
Fits into place
To think it over
I'll give you your space
When time is right
Come on around
I ain't going nowhere

Cause I know what I've found, thinking

(bridge)

Some people spend their time
Running away from whats right
Sure don't wanna run, I sure don't wanna run from you,
yea yea
Here is what I could do...

(chorus)

My love, so good
My love, just for you, ooh, my love

My love, so good
My love, just for you, ooh, oh ye ye, my love

Cause i never been so sure
I love you more and more each day
All I know is the feelings pure
And I wanna stay with you forever, forever, and ever
remix....

(chorus)
Ooh, so good
My love, is just for you
Ooh so good
Oh oh oh, oh oh oh
