i aint got no story  
not much to tell,  
aint got no rep for you baby  
i dont do well.  
and i know you've only known me,  
for a short time  
sometimes lifes history,  
aint what it's made up to be

(bridge)  
some people spend their time,  
just runnin away from whats right.  
sure dont wanna run from you,  
here is what i could do...

(chorus)  
lie on a summers day  
lookin at the sky,  
dance with you in the rain  
that could be so nice.  
and when the sun sets,  
and the sand is warm  
we can make love  
shower you with kisses  
my love.

(verse 2)  
see everything baby  
fits into place,  
to think it over yes  
i'll give you your space.  
when time is right  
come on around,  
aint going nowhere  
coz i know what i've found. oh yeah

(bridge)  
some people spend their time,  
just runnin away from whats right.  
hey yeah, and i sure dont wanna run from you,  
here is what i could do...

(chorus)

lie on a summers day  
lookin at sky,  
dance with you in the rain  
that could be so nice.  
and when the sun sets,  
and the sand is warm  
we can make love  
shower you with kisses  
my love.

coz i never been so sure,  
i love more and more  
each day.  
all i know is the feelings pure,  
and i wanna stay with you forever, oh yeah  
my love

my love, my love, my love  
dance with you in the rain,  
that could be so nice,  
and when the sun sets,  
and the sand is warm  
we can make love  
shower you with kisses

all over all over
