Welcome to the 22nd century
New world, front ocean you'll see
Religion, science fiction, technology
And there's no difference from you and me

Welcome to the 22nd century
(Hoo-hoo-hoo, hoo-hoo-hoo)
Welcome to the 22nd century
(Hoo-hoo-hoo, hoo-hoo-hoo)

Welcome to the 22nd century
(Hoo-hoo-hoo, hoo-hoo-hoo)
Welcome to the 22nd century
(Hoo-hoo-hoo, hoo-hoo)

Everybody's dancin'
Everybody's dancin', dancin'
Everybody's dancin'
Everybody's dancin', dancin'

'Cause we are the stars, we're the stars
We are the stars, we're the stars
We are the stars, we're the stars
We are the stars, we're the stars

Welcome to the place where you want to be
Religion, science fiction, technology
I can place my mind where I want to be
One chance, one dance for you and me
Where everyone can be, be, be, be

Welcome to the 22nd century
(Hoo-hoo-hoo, hoo-hoo-hoo)
Welcome to the 22nd century
(Hoo-hoo-hoo, hoo-hoo-hoo)

Welcome to the 22nd century
(Hoo-hoo-hoo, hoo-hoo-hoo)
Welcome to the 22nd century
(Hoo-hoo-hoo, hoo-hoo)

Everybody's dancin', dancin'

Everybody's dancin', dancin'
Everybody's dancin', dancin'
Everybody's dancin', dancin'

'Cause we are the stars, we're the stars
We are the stars, we're the stars
We are the stars, we're the stars
We are the stars, we're the stars

Just take me away, oh, baby
Just take me away, oh, baby
Just take me away, oh, baby
Just take me away, oh, baby

So welcome to the 22nd century
Welcome to the 22nd century
Welcome to the 22nd century
Welcome to the 22nd century

Hoo-hoo, hoo-hoo-hoo
Hoo-hoo-hoo, hoo-hoo-hoo
(Say)
Hoo-hoo-hoo, hoo-hoo-hoo
Hoo-hoo, hoo-hoo-hoo

Hoo-hoo, hoo-hoo-hoo
Hoo-hoo, hoo-hoo-hoo
(Say)
Hoo-hoo, hoo-hoo-hoo
