I was walking, was living  
My melody was acapella  
There's a beat I was missing  
No tune, or a scale, I could play

-

The sound in the distance  
No orchestra playing together  
Like a boat out to sea,  
The silence was too deafening!

-

So come and revive me  
I can't feel my heartbeat  
Just me surviving alone

-

(Chorus)  
Before you,  
My whole life was acapella!  
Now a symphony's  
The only song to sing  
Before you,  
My whole life was acapella!  
Now a symphony's  
The only song to sing

-

Everything was the same  
One color was just like the others  
An assembly routine  
My memories were all black and white  
Till I stopped over-thinking  
Decided to draw back the curtains  
And I cleared all the cobwebs

And began to let in the light

-

So come and revive me  
I can't feel my heartbeat  
Just me surviving alone

-

(Chorus)  
Before you,  
My whole life was acapella!  
Now a symphony's

The only song to sing  
Before you,  
My whole life was acapella!  
Now a symphony's  
The only song to sing

-

(Bridge - 3X)

You are the drum in my heart beat  
Bass and guitar lead  
Stuck on the notes you play  
My heart that you play on  
Grab like a crayon  
I can't walk away

-

(Chorus - 2X)

Before you,  
My whole life was acapella!  
Now a symphony's  
The only song to sing  
Before you,  
My whole life was acapella!  
Now a symphony's  
The only song to sing
