talking part: this song is for all the women out there who
been lied to by

there men and i know yall been lied to over and over
again this is

for yall you may be getting break where yall should of
been broke

yo but i break

verse 1: Last year Valentines day you would sworn to
say babe i love you

love you so i swear help you when you were sick even
sucked yo dick the whole

time i say to myself this isn't fair .

chorus: what is this i see you don't come home to
me, when you don't come home

to me can't deal can't bare you keep telling me lies but
to your suprise look

i found her red coat and your bitch out there

i hate you so much right now i hate you so much right
now aaaaahhhhhh

i hate you so much right now, i hate you so much right
now, i hate you so

much right now aaaaaahhhhhh

i hate you so much right now

verse 2: So sick of your games i said your died to
flames and watch you blow

up blow up help me (how you gone see her now) so far

from sincere (i love you)

fabrications my ear drive me so far up the wall i come
sliding down

chorus: What is this i see you don't come home to me
when you don't come home

to me can't deal can't bare you keep tellin me lies but
to your suprise look

i hope your happy since your out there (yeh you been
caught)

i hate so much right now i hate you so much right now
aaaaaaaahhhhhh

i hate you so much right now

verse 3:she so haunting so vulgar not me why the hell
her look she dresses a

mess what do you see (i don't know)it's not all about
cash (hell no)nor how

much you flash how i dress is a reflection of me

chorus: what is this i see you don't come home to me
when you don't come home

to me can't deal can't bare you keep telling me lies but
to your suprise but

i got something for yall since yall out there

i hate you so much right now,i hate you so much right
now aaaaahhhhhh

i hate you so much right now , i hate you so much right
now ,i hate you so

much right now aaaaaaaaaahhhhhhhh
