yaknowhatl'msayin? He he he workin
through them crackers to save us, in a sense,
knowhatl'msayin? The evil
that they do. I mean he made the devil, you understand

So the evil that they do it it, I mean knowhatl'msayin,
it's only
supposed to bring something outta us in a way, ya

the way they are
because it it it's helping us it's it's opening our eyes to
some things,
