## (feat. Malice)

He has an appetite for sex and cash  
He hangs on the corner talking trash  
Or rollin' in his freak mobile  
Mercedes Benz on 20 inch wheels  
Gets calls all day on his cellular phone  
From nasty girls they won't leave him alone

He's got 'em crying 'cuz they can't see  
Why he's in love with a girl like me  
Innocent, kinda polite  
The kind of girl that says her prayers at night  
He picks me up everyday from school  
And all my friends they just dream and drool  
Then on the way the music blasts  
We hittin' the street he lets off the gas  
But just before my house appears  
He pulls over, whispers in my ear

Hey lil' momma let me in your world  
I just wanna see you be a nasty girl  
I said love you up and love you down  
Daddy wanna make love all around the town  
And scream  
Come moan and moan and moan  
Come moan and moan and scream  
Come moan and moan and moan  
And take it back girl

My mom has met - my dad refused  
Yesterday he bought me some shoes  
Dolce and Gabbana and a bag made of iguana  
And a blazer and a chocolate tie  
Get it blaze chocolate tie  
So this kept on and it kept on  
Like the beat don't stop until the break of dawn

I can't help it  
I just love the boy  
I just love the boy  
Wait a minute

Oh, I can't help it  
I just love the boy  
I just love the boy  
Oh no

I got shinin' things like diamond rings  
And designer chains man the way I bling  
Had teachers in school calling home  
Mr and Mrs Nice, what the hell is goin on?  
I snatched a letter from your daughters desk  
From her bad boy friend who was talking fresh  
How he wants to see her later today  
Face to face so he could say

Hey lil' momma let me in your world  
I just wanna see you be a nasty girl  
I said love you up and love you down  
Daddy wanna make love all around the town  
And scream  
Come moan and moan and moan  
Come moan and moan and scream  
Come moan and moan and moan  
And take it back girl

But you gotta know that the dough comes first  
Gotta know know if you stray then no  
There are no words  
My look, I see it in your face, Oh look  
Thought I was a nice guy, huh, No look  
You say you never leave me love  
Well are you sure that it's me you love?  
Gotta ask 'cuz I can't tell  
If it's me or the B12  
Hell its suspect  
Would you swallow my pride  
Now let's ride

I can't help it  
I just love the boy  
I just love the boy  
Wait a minute

Oh, I can't help it  
I just love the boy  
I just love the boy  
Oh no

I can't help it  
I just love the boy  
I just love the boy

Wait a minute

Oh, I can't help it  
I just love the boy  
I just love the boy  
Oh no

I can't help myself  
I just love the boy  
I love the boy  
I can't help it
