Lemme tell you what love is  
It's when you meet each other halfway  
I'm en route

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Look in your own mirror and know who you are  
Live your life accordingly, the truth is on your arm  
And it's good, baby  
You've done good, baby

Be just who you are, make no apologies  
And when it's said and done, who's really sorry?  
You're okay, baby  
It's okay, baby

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Emancipate yourself

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Dare to be a better you each chance you get  
We're all human and fall short and nothing's over yet  
It's up to you, baby  
Give 'em you, baby

Life's too short to waste your time, do what you love  
Don't be a sheep, it's better, have peace, fly it like a  
dove  
Give 'em you, baby  
Give 'em room, baby

Like the Phoenix from the ashes  
Or a sunrise off in the distance  
I'll try again, I'll try again  
I'll try again, we'll try again

Like the Phoenix from the ashes  
Or a sunrise off in the distance  
I'll try again, I'll try again  
I'll try again, we'll try again

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Emancipate yourself  
Emancipate yourself  
Emancipate yourself  
Emancipate yourself

Emancipate yourself  
Emancipate yourself
