Niggas is Biggie Smalls, ready to die, a horrible death  
I wanna ?court case and doctor?, because the ? is on

Time flying, who having fun  
Making runs, up and down Cambelton,  
Put one ?over the jail? where you ?fired? one  
Stop gossiping, your marriage on the rocks, and you  
jealous  
43 and can't keep a man, because you careless  
I'm too generous, so my kindness is took for weakness  
You don't want to see me nut up, I leave you toothless  
And the toothfairy don't run on friday the 5th or the ?7  
day hassle?  
Stop eating ?eagle eye and ??, so I rhyme past ??  
?The move master?  
We got that fie fie delish

I said we got, we got, nigga we cocked it and dropped  
it  
Ain't no stopping it, popped it, locked it, flop flipping it  
Leaving 'em dripping with SWAT's shit, on that  
forehand  
The godfather of my nigga first seed, please show us

much love  
?? Lil Willy ?I'm busting the philly?, on this first day  
I don't play bout' my family  
Mob Goodie, lumberjack, woody, down your ??  
When I enter the room, shawty numb  
Having fun, music give me the power  
The man of the hour  
Look, it's on when I hit you with this fie fie in your eye  
Aww Naw, you better not cry

Who got that fie fie, we got that fie fie  
Who got that fie fie delish

(Cee-Lo)  
Now get back, you hit you get hit back

Whenever, however, you want to act  
Think it ain't when it is, shawty gonna kill a nigga ass  
bout' his  
Rhyme pays, I could blaze in a maze for days  
?Flat concrete or thick metals?, we won't settle  
Till' its evident and obvious, don't fuck with us  
Ya heard, I mean every word I bust  
Trust me, you can't stop me, even if you bust me  
?? must be in the same ?fashion pack?  
?Jesus came?  
I'm the future, I'm forever, I'm the flame

hook

(Big Gipp)  
Everything grit to the grind  
Gimme something to hold and watch me flip it two  
times  
The whites of his eyes couldn't hide all the shit up on  
his mind  
Always inclined to soft touch  
If I'm approached wrong, ?blew lead just through the  
skyways?  
And touch back down on the one-way highway  
Got a bus with 21 beds, and if the door swing open it's  
21 heads  
Nickel plate with the numbers straight  
Just in case the spot got funny money  
Now who call, well you got your wish  
Goodie Mob in your town with that fie fie delish  
All up in your face bitch
