****Intro****

Oh baby, you're the finest, the finest, i've seen,
Oh baby, you're the finest, the finest, i've seen,
Oh baby, you're the finest, the finest, i've seen,
Oh baby, you're the finest, the finest, i've seen,

****Verse 1****

If i had a choice,
I'd always choose love,
Up or down,
Good or bad
I don't mind,
Just as long as it's real,
My friends say i'm lucky,
To have found someone as good as you,
My love's understanding,
Understanding how to hold onto you,

****Chorus****

After all that we've been through,
Time won't change the way i feel about you,
Out of all the love before,
You're the finest i've ever known, (the finest i've ever...)
After all that we've been through, (we've been through)
Time won't change the way i feel about you,
Out of all the love before, (love before)
You're the finest i've ever known, (the finest i've ever
known)

Baby, you're the finest,
I've never met anybody like you,
You can call me,
I'll come on and... (just call me)

****Verse 2****

If i had to choose,
I'd be by myself,
I wanna be in love,

But with nobody else,
Time flies when you're with me,
Goes so slow whenever you're away,
Made up my mind and i'm positive,
A better love would never come my way,

****Chorus****

After all that we've been through, (we've been through)
Time won't change the way i feel about you,
Out of all the love before, (love before)
You're the finest i've ever known, (the finest i've ever...)
After all that we've been through, (we've been through)
Time won't change the way i feel about you,
Out of all the love before, (love before)
You're the finest i've ever known, (the finest i've ever
known)

Oh baby, you're the finest, the finest, i've seen,
Oh baby, you're the finest, the finest, i've seen,
Oh baby, you're the finest, the finest, i've seen,
Oh baby, you're the finest, oh baby you're the finest,

****Chorus****

After all that we've been through, (we've been through)
Time won't change the way i feel about you,
Out of all the love before, (love before)
You're the finest i've ever known, (the finest i've ever...)
After all that we've been through, (we've been through)
Time won't change the way i feel about you,
Out of all the love before, (love before)
You're the finest i've ever known, (the finest i've ever
known)

Baby..... you're the finest,
I've never met anybody like you,
You can call me,
I'll come on and....
