Hello,..yo waz up pretty?....Hi ya Kelis what are you doin'?.....Nah, I'm just chillin', ...What's the matter, It sounds like somethings wrong?....Yeah, nothin yo, my man is just streein' me out,Problems?.....Word, yo, Yo he's just buggin'....)

Last night we were watching this game show,
They were talkin' bout marriage,
And that stuff ye know,
Found myself laughing,
'Cause those cops weren't clear,
And then here he comes with this bright idea,

So I said to him;
I know you mean well,
Your genuine I can tell,
Besides with you and me,
I know we would soar,
Are you ready?
You gotta be sure,
You gotta be sure,
(Hold on,)

I know you got the feelin' hold on,
Baby your price ain't right, hold on,
I know you got the feelin' hold on,
Hey this is my life,
Hold on,
I know you got the feelin' hold on,
Baby your price aint right, hold on,
You feel like hittin' the ceiling, hold on,
Hey this is my life,

So were arguin' talkin' bout back and forth,
Forth and back,
As if there is no source,
Now I'm wondering, is this what he had in mind?
'Cause if I thought we'd get through that door,
Tell me what's gonna be my prize,

(so I say to him)
I know you mean well,
Your genuine (genuine) I can tell,

Besides with you and me,
I know we would soar,
But are you ready,
You gotta be sure,
You gotta be sure, (you've got to be sure),

I know you got the feelin' hold on,
Baby your price ain't right, hold on,
I know you got the feelin' hold on ,
Hey this is my life, hold on,
I know you got the feelin hold on
Baby your price ain't right, hold on,
You feel like hittin' the ceiling, hold on,
Hey this is my life,

Game show, game show, game show, game show,
Game show, game show, game show, game show,
Game show, game show, game show, game show,
Game show, game show, game show, game show,

I know you mean well,
Your genuine I can tell,
Besides with you and me,
I know we would soar,
But are you ready,
You gotta be sure,
You gotta be sure,
(hold on)

I know you got the feelin' hold on,
Baby your price ain't right hold on,
I know you got the feelin' hold on,
Hey this is my life,(hold on)
I know you got the feelin', hold on,
Baby your price ain't right hold on,
You feel like hittin' the ceilin', hold on,
Hey this is my life,(hold on)

Baby your price ain't right,(hold on),

Hey this is my life (hold on),
I know you got the feelin' hold on,
Baby your price aint right(oh no),
You feel like hittin the ceilin' hold on,
Hey this is my life,

Game Show.....(x 16).....
