Girls have minds of their own  
Don't know why  
But my thoughts are completely Out of control  
I feel everytime  
I'm all alone  
I want to let this go  
Cause I'm just feeling so damn..

Guilty, just wrong and guilty  
He won't get out of my mind  
Its all the time its filthy,  
Im guilty, dead wrong and guilty  
Cause what he does to me inside my dreams  
Just makes me feel guilty  
Guilty, just wrong and guilty  
He won't get out of my mind  
Its all the time its filthy,  
Im guilty, dead wrong and guilty  
Cause what he does to me inside my dreams  
Just makes me feel..

Pray you miss the signs of I've been lying  
I'd die if you ever fly in my mind  
He toss me  
But I wont stop it  
I just cant drop it  
So????  
??????Cause I am feeling..

Guilty, just wrong and guilty  
He won't get out of my mind  
Its all the time its filthy,  
Im guilty, dead wrong and guilty  
Cause what he does to me inside my dreams  
Just makes me feel guilty  
Guilty, just wrong and guilty  
He won't get out of my mind  
Its all the time its filthy,  
Im guilty, dead wrong and guilty  
Cause what he does to me inside my dreams  
Just makes me feel..

Wish I could shake this  
I'm acting so selfish  
How can I do this  
What the hell am I thinking  
What am I thinking  
Wish I could shake this  
Im acting so foolish  
How can I do this  
What the hell am I thinking..

But I feel...  
Guilty, just wrong and guilty  
He won't get out of my mind  
Its all the time its filthy,  
Im guilty, dead wrong and guilty  
Cause what he does to me inside my dreams  
Just makes me feel guilty  
Guilty, just wrong and guilty  
He won't get out of my mind  
Its all the time its filthy,  
Im guilty, dead wrong and guilty  
Cause what he does to me inside my dreams  
Just makes me feel..[2x]
