This is the genius! This is the genius

Yeah, wussup baby (lick it, lick it)
Don't be scared, it don't bite
Lick some... Get you lickin' again

When I drink enough Gin, I'm invincible
I don't love no hoe, that's my principal
'coz uh, Bitches come, and uh, Bitches go, uh
That's why I get my nut, and I'm out the fuckin' doe

I say knick knack, give a dog a bone
Which one of y'all broads Cease can take home?
Cease is a freak, big, brown, and large
Fuck with the hoes, big light and tall
It takes two to make a thing go right
Strip flash, titties ass
Oh No! Cease a Leo BABY!
All up in that ass, you so crazy
I'm a freak from the heart, and I fuck for y'all
And your mouth is the spot where I rest my balls
I pimp to die, and my moms pimp for me
That's why Cease never eat chicks for free, you feel
me?

How Many Hot Licks does it take?
Mami, how many hot licks does it?
(I don't know, I don't know - Just keep on lickin' me)
But How Many Hot Licks does it take?
How Many Hot Licks does it take?
Mami, how many hot licks does it?
(I don't know, I don't know - Just keep on lickin' me)

And How Many Hot Licks does it take?

Break, break in a bitch, take takin' a bitch
To a whole another level of shit
Man, I didn't really wanna take her there
But could've, she kept pullin' on my underwear
I ain't gon' send for hoes, I'll pimp for hoes
I do this for this and those, figaro! figaro!
Man, we got hoes, we got hoes!, we got hoes, we got

hoes
Four, five, six, seven
Licks! Now mami, lick it again
Eight, nine, ten, eleven,
Twelve! Now tell all ya friends
Bring Keisha, Yvette, and Shameka too
Brandy, Sandy, and a little bit of Candy
And we doin' this all night long
Get your pick on, lick on, and get ya proper freak on

How Many Hot Licks does it take?
Mami, how many hot licks does it?
(I don't know, I don't know - Just keep on lickin' me)
But How Many Hot Licks does it take?

(This is the Genius!)
Ladies and Gentlemen, pimps and hoes
I'd like to present to you
The winner of the gangstress of the year award
Introducing the Queen...

I don't need no introduction, they know who I be
Female mack with the gangsta rap
How Many Licks? Niggas, just not knowin'
So a bitch like me, don't stop flowin'
My money green, and it don't stop growin'
Ice like the winter, and it don't stop snowin'
MAFIA, that's the crew that I aim for
grew up n the hood, now what the fuck I'm gon' change
for
I tossed swettters with leathers and amarettas
Barettas inside it, and still nobody do it better, huh?
You never seen this, stroke of genius
Put the cleanest, meanest lips on your penis
It's like that once you lick the kitty kat
Niggas, Don't know how to act leavin' diamonds in my
asscrack
Now all my niggas now
All my bitches now
Come on, baby, I'm goin' down down
