Hi everyone uhm... my name is Carla
Everyone lets welcome Carla
I'm here because uhm
Well I didn't know what else to do and..
This is it
I'm strong now

Hello everybody my name is Kelis
(Hi Kelis)
The reason that I'm here is my problem got severe

My body would get sweaty whenever he came near
I haven't even hooked an entire year
I've got the fever

I'm a junkie
A junkie for your love
I'm a junkie
A junkie for your love
I'm a junkie
A junkie for your love
I'm a junkie
A junkie for your love

And I can't do my job right because this interferes
And I just want my life back I wanna see shit clear

I was strung out
For real since the first time we hung out

I never met a guy that was even half as fly
I've got the fever

I'm a junkie
A junkie for your love
I'm a junkie
A junkie for your love
I'm a junkie
A junkie for your love
I'm a junkie
A junkie for your love

All my relatives and neighbours would not get out my
ear
I would tell them he was cool he just didn't need no
beer

I was high n'
Stupid, yeah I was in denial
Every time he smiled at me my mouth would just go dry
I've got the fever

I'm a junkie
A junkie for your love
I'm a junkie
A junkie for your love
I'm a junkie
A junkie for your love
I'm a junkie
A junkie for your love
