[Pharrell Williams] Yo, wave your hands in the air
if ya came to party (party)
Get down, baby, we get down. Neptunes, Most Wanted
baby, we get down
Come on. Wave your hands in the air if ya came to
party (party)
Get down, baby, we get down. Neptunes, Most Wanted

[Boobonic] Who prefer to gain cheddar,

Clothes always sweaters, ain't nothin',
I'm used to it I rock shit up top and
match boots to it
Major dough; ayyo, I'm fine and I'm able six wit' a
roof like a dinin' room

All glass so I'm gettin' all ass when y'all pass, see V-

Itch-day, ude-day want a ey-hay?
O fle' like go away, that's what your daughter
say
I got fans in Ja-Pan, got land block can't ice,
hoes starin' like, 'Goddamn!'
B-A-double L-one E-one R two houses, one jeep, one

[Kelis (Pharrell Williams)] To the sunlight
(we can get down baby, we get down)
to the moonlight (shake it baby; shake it baby)
To the sunlight (now bounce for me baby; bounce-

moonlight (I love the way that you do me baby)
[Mr. Man] Check, yo see, I tore up the game when I
jumped out the range, ice
went bling from the watch to the chain
Chicks on the dick like, 'What's that nigga' name?
' I came here to bounce and
to hollar at you, mami
All in her ear like, 'Who bÄ?'

Â©ught you here? Wanna drink? Order two, I'ma be
right there'
Grab the glass real modest and flash the Cardiere,
Miss never seen a nigga like
M-R-Dot
Who spit? Got jewels, man?
I'm icy-hot if you ball like me, shot-call like me?
You got a girl, playa, and me?
Ya girl like me I dance wit' her now and deal
wit' hate later
Differentiate the playa from y'all haters reiterate
the phrase again, 'Y'all

Who got chips and don't gotta sip,
rollout wit' chicks, tell 'em hop in the whip
[Kelis (Pharrell Williams)] To the sunlight

to be with you (come on,

Niggas upset, I know. His hoe when she throw them to
his face, I got him by

to the moonlight (shake it baby; shake it baby)
To the sunlight (now bounce for me baby; bounce-
