### "No Security"

Yeah (Whoop Whoop!)

Yeah (Whoop Whoop!)

Backup, behind the line you hear them,  
them sirens gonna see them,  
that heat they finally blasting  
They playing with my heartbeat

My body grind you shattered  
Now walk the line they firing  
You hear them sirens (Whoop Whoop!)  
you hear them sirens

Tell me how long before you drop the bomb  
before you turn it up  
turn it up  
turn it up  
turn it up [x2]

So tell me what you're waiting for (Whoop Whoop!),  
Tell me what you're waiting for [x4]

One of those nights  
you think your startin this war.  
Your with your boys, you had some drinks,  
your gonna to take this to far.

You in the way you gon get spaded  
causality of this game.  
I'm your alarm your time has come  
and boy your love's just a thing.

Tell me how long before you drop the bomb  
before you turn it up  
turn it up  
turn it up  
turn it up [x2]

So tell me what you're waiting for (Whoop Whoop!), tell  
me what you're waiting for [x4]
