[Verse 1]

When I see your face
It takes me away to other places
Everything just melts away

[Vamp]

I never have to cry when I with you
Because you are my solitude
I wanna do the very same for you

[Hook]

You are my oasis, baby
You're like water to me
You never leave me thirsty

[Verse 2]

When I wake up with you
My life has new meaning
Puddles seem so far away

[Vamp]

I never have to cry when I with you
Because you are my solitude
I wanna do the very same for you

[Hook: 2x]

You are my oasis, baby
You're like water to me
You never leave me thirsty

[Verse 3]

You are like a dream in the night
My mind and heart, they now have sight
But here I lie awake tonight

[Vamp: 2x]

I never have to cry when I with you
Because you are my solitude
I wanna do the very same for you

[Hook: 3x]

You are my oasis, baby

You're like water to me
You never leave me thirsty
