(this is a Nirvana cover that kelis played at the end of her concerts)

Load up on guns and bring your friends
It's fun to lose and to pretend
She's over bored and self assured
Oh no, I know a dirty word

Hello, hello, hello, how low? (x3)
Hello, hello, hello!

With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mulatto
An albino
A mosquito
My libido
Yay! (x3)

I'm worse at what I do best
And for this gift I feel blessed
Our little group has always been
And always will until the end

Hello, hello, hello, how low? (x3)
Hello, hello, hello!

With the lights out, it's less dangerous
Here we are now, entertain us
I feel stupid and contagious
Here we are now, entertain us
A mulatto
An albino
A mosquito
My Libido
Yay! (x3)

And I forget just why I taste
Oh yeah, I guess it makes me smile
I found it hard, it was hard to find

Oh well, whatever, nevermind

Hello, hello, hello, how low? (x3)

Hello, hello, hello!

With the lights out, it's less dangerous

Here we are now, entertain us

I feel stupid and contagious

Here we are now, entertain us

A mulatto

An albino

A mosquito

My libido

A denial !! (x9)
