Whoao
This is it
Yeah
Whoao

Said, "I've paid my dues for all that I've done"
And I showed you that I loved you more than once
There's nothing left there to decide
Said, "You might trick me once
I won't let you trick me twice"

Freedom to us has always been a trick
Freedom to you has always been who ever landed on
your dick
Seen it in you one to many times
Said, "You might trick me once
I won't let you trick me twice, no"

Might trick me once
I won't let you trick me twice
Might trick me once
I won't let you trick me twice, no
Might trick me once
I won't let you trick me twice
No, I won't let you trick me twice

Those days are old and overdone
And it's only 'cause I'm not with you
That you make me number one
Though I may love you, it hurts me deep inside and
Now you no longer have to hide

I used to be down with the late night hit
Started gettin' heavy when I really wasn't ready
Used my past to get in my mind
So I fell for your lies like all the time
I thought you were the shit to be playin' around
Call the police, there's a mad girl in town
Couldn't get even here without a sound
It's not how I wanna get down, yeah

Might trick me once

I won't let you trick me twice
Might trick me once
I won't let you trick me twice, no
Might trick me once
I won't let you trick me twice
No, I won't let you trick me twice
No, I won't let you trick me twice

And I've paid my dues for all that I've done
And I showed you that I loved you more than once
There's nothing left there to decide
Oh, trick me, I won't let you trick me twice

You might trick me once
I won't let me trick you twice
You might trick me once
No, I won't let me trick you twice, no
You might trick me once
No, I won't let me trick you twice

Whoao
Peace
