

Kelis "Truth Or Dare"

Visit "[Truth Or Dare](#)" on MotoLyrics.com

Yeah, yeah, yeah
I'm on the dance floor
burn it up
music turn it up
baby I, real hot
so is it my turn to touch you
looks like your wasn't on in some 3-d effects
baby you
look like you have no clue of what comes next

Me and my dogs'll be there
till your girls prepare to share
we play the dance of truth or dare
if someone's standing there say
Hey baby what's your name
don't stand looking insane
do you wanna ride the train
welcome to the fast lane
if you didn't know it but well
cause these people they don't care
all hands in the air
this is what we call truth or dare

I am the one with the brightest hair
leather I don't care
baby I
to everyone to take their shirts off
that's my dare, you
got a girl but you're touching me like you don't care
baby you
do your brick just don't get caught out there

Me and my girls'll be there
till your boys prepare to share
we play the dance of truth or dare
if someone's standing there say
Hey baby what's your name
don't stand looking insane
do you wanna ride the train
welcome to the fast lane
if you didn't know beware
cause these people they don't care

all hands in the air
this is what we call truth or dare

Come on, come on
(Baby shake it up)

Man I got ten surrounding me

hounding me
center of attention
a riot is bound to be
though I'm in the middle
my jewels you're bound to see
in a pool of women
all of em drowning me
I'm ho poppin
flip floppin
ho hoppin
now her head in my lap bobbin
I ain't one to care
I ain't used to fair
baby you can keep the truth choose the dare

yea, yeah, yeah, yeah, yeah
Ooh..
(repeat)

Me and my dogs'll be there
till your girls prepare to share
Me and my girls'll be there
till your boys prepare to share
e play the dance of truth or dare
if someone's standing there say
Hey baby what's your name
don't stand looking insane
do you wanna ride the train
welcome to the fast lane
if you didn't know beware
cause these people they don't care
all hands in the air
this is what we call truth or dare

Come, come on
(baby shake it up)

Yeah, yeah, yeah, yeah,
For the world to see

Yeah, yeah, yeah, yeah, yeah, yeah
(till fade)
