[Hook]

You wanna see us spin  
You wanna make us grin  
You wanna meet my friends  
You know owls set trends  
And we rule the night  
I hope that's alright  
We don't fuss, no fight  
We must trust our flight

[Verse 1]

Yeah buckle up, grab a two buck chuck  
Screamin out, we still give a fuck  
Change luck, golds struck  
Blow suck, shotgun bust  
New dimensional thrust  
It's intentional trust  
Unconventional lust  
They still followin us  
We are followin none  
You been swallowin duds  
State been hollowin guns  
Teach kids, stack funds  
Sticky icky, we get a lil tricky  
You ask how many grand and I'm thinkin fifty  
Maybe a hun, but we'd do this for fun  
Ask how my lost, and I'm sayin none  
Aint playing games, with no one, it's not a shame  
We all have won  
The owls and me, meant to be  
Clean Baron of sea while they stare at me  
How can it be?

[Hook]

You wanna see us spin  
You wanna make us grin  
You wanna meet my friends  
You know owls set trends  
And we rule the night  
I hope that's alright  
We don't fuss, no fight

We must trust our flight

[Verse 2]

Hop up in the spaceship  
Aint gonna say shit  
Telepath coordinates, leavin all the racists  
Fuck all of your faces, stay here with the platelets  
Now they wan' race, everybody take your places  
Okay fine, bring um anyway  
Transform they brains when we press play  
And this time unblind  
No child left behind  
No memories will rewind  
To this horrid place in time  
May seem morbid, but it's prime  
You are an organ of her mind  
Mother earth ain't been feelin fine, oye  
Just trust dopey, install your toy  
We must only recall our joy  
No more phony homogenized ploy  
No more death of lil girls n boys  
Everyone is equal, no chosen, hoi polloi

[Hook]

You wanna see us spin  
You wanna make us grin  
You wanna meet my friends  
You know owls set trends  
And we rule the night  
I hope that's alright  
We don't fuss, no fight  
You must trust our flight

[Breakdown]

You must trust our flight  
You wanna see us spin  
You must trust our flight  
You must trust our flight  
You wanna see us spin  
You wanna see us spin  
You wanna see us spin  
You wanna see us spin, okay fine  
You wanna make us grin, okay fine  
You wanna meet my friends, okay fine  
You know owls set trends, okay fine, Okay fine.  
Okay fine, bring um anyway, we'll transform their  
brains when we press play

[Hook]

You wanna see us spin  
You wanna make us grin

You wanna meet my friends  
You know owls set trends  
And we rule the night  
I hope that's alright  
We don't fuss, no fight  
We must trust our flight
