(Yeah)

[Chorus 2x]

If we do these things, when the tree is green Oh please, what will happen when it dies I create and know somewhere deep in thee Unseen is the key that will open up all eyes

[Verse 1]

Perhaps the eyes are open and it's deep in the unspoken

Subconscious calling on our hoping, hidden underneath all the mopping
Sobbing screaming at our ignorance
Our assumption this is really bliss
I have seen the fall of Babylon, in my minds eye

I make it all gone
Deeply cresting, sunken to my knees

The signals come from Pleiades
Drunk in snow and hidden fees
I will not sing your songs for free

Unsung, unwon, wonderinÂ' we all come from, undone WonÂ't someone tell um
We are all the angels that gone come

[Chorus 2x]

If we do these things, when the tree is green Oh please, what will happen when it dies I create and know somewhere deep in thee Unseen is the key that will open up all eyes

EYES AHHhhhhh Deep in the unseen Deep in the unseen

[Verse 2]

Beyond the thunderdome
Please donÂ't let him take our thrown
Our time has come, and we are truly the ones
While the greed leaks from our pores
All the darkness seeks to be mores
Know that we all have something important

To offer up and help all the morphin Because the caterpillar thinks it's dead His head soon to be buried with nothing else to dread No longer worried That this game has just begun Noone has won, no mate to check More than one son and daughter FollowinÂ' the medicine of the Otter WomanÂ's healing wisdom Sensibility without suspicion Guidance, in revealing oneÂ's talents We can all be very balanced We already are Psychically in tune to thee We are In tune to the stars Stars

[Bridge 5x] (ahhh)
We are already
Psychically
Intune to thee
Stars

[Chorus 2x]

If we do these things, when the tree is green Oh please, what will happen when it dies I create and know somewhere deep in thee Unseen is the key that will open up all eyes

If we do these things [2x] (Ahhhh)

[Bridge]

We are already psychically in tune to thee We are already psychically in tune to thee stars We are already psychically in tune to thee We are already psychically in tune to thee stars

[Chorus 1x]

If we do these things, when the tree is green Oh please, what will happen when it dies I create and know somewhere deep in thee Unseen is the key that will open up all eyes
