Life is like a thrift store  
Oh, the joy of the score  
The thrill of the hunt  
The love of the game

I'm the moth, life is the flame  
I always seem to want more  
Than I can afford  
It's just too short for the pain  
I'm in the gutter, life is the lane...  
Life is the lane...

Cuz it's the same dance, different song  
Sleep won't let me rock it to you all night long  
It's Acoustalunatickle anarchy  
I love it when you don't take me seriously

Life is like a roller coaster  
With a big long line  
You get burned in the sun while you're waiting  
For your turn to ride  
Loop-de-loop and twist and turn  
All at high speeds  
Life is the rush of the first drop  
That's the jones that I feel...  
That's the jones that I feel...

Chorus

Life is like this dumb song  
That gets stuck in your head  
It's bangin' 'round from when you wake up  
Until you go back to bed  
It's just like that ice cream cone  
Dripping down your hand  
You gotta learn how to lick it  
Or you'll be in a sweet sticky puddle right where you  
stand...  
Be in a sweet sticky puddle right where you stand...

Chorus
