I'm packing the love  
I've got it hanging off of me  
It comes from above  
I keep it down inside of me  
It comes in different shapes and sizes  
Lack of willpower, compromises  
Lack of exercises  
I'm packing the love  
So if you need a hand hold  
Baby you can take hold  
Of my love handles  
If you need to get your love on  
Baby you can grab on  
To my love handles  
My love handles  
I'm packing the love  
I don't think it's a bad thing  
It keeps me warm in the winter  
It makes me sweat in the spring  
It's a double chin love  
I have grown to accept it  
I love the sweet taste of sweet tasting love  
It's so easy to digest it  
So if you need a hand hold  
Baby you can take hold  
Of my love handles  
My love handles  
If you need to get your love on  
Baby you can grab on  
To my love handles  
My love handles  
Well the man on the TV tells me  
I've got so much love I can stand to lose some  
So I changed the channel  
How could I survive without the sweet taste  
Of sweet tasting love  
Up the river without a paddle  
I'm packing the love  
I got enough to go around  
I've got so much in the country  
I don't ever have to go to town  
It comes in different shapes and sizes

Lack of willpower compromises  
Lack of excersizes  
I'm packing the love  
So if you need a hand hold  
Baby you can take hold  
Of my love handles  
My love handles  
If you need to get your love on  
Baby you can grab on  
To my love handles  
My love handles  
More of me to love
