Turn on my radio, follow the formula  
speed it up and throw some fuzz on it  
just speed it up and throw some fuzz on it  
youth of a nation song, well what the f do i know i just  
speed it up and throw some fuzz on it  
speed it up and throw some fuzz on it

Grind your teeth, dye your hair  
pierce your ass i dont care  
feeling the adrenaline flow  
listening to my radio  
play this, play this, play this, play this

I wish that you would put some marbles up in your  
mouth  
so that you would have an excuse to  
speed it up and throw some fuzz on it  
speed it up and throw some fuzz on it

Something inside of me secretly likes all of the  
abnormalties  
i guess its not a secret now  
so speed it up and throw some fuzz on it  
speed it up and throw some fuzz on it

Gring your teeth, dye your hair  
pierce your ass i dont care  
feeling the adrenaline flow  
listening to my radio  
play this, play this, play this, play this

Turn on my radio, follow the formula  
speed it up and throw some fuzz on it  
speed it up and throw some fuzz on it  
youth of a nation song, well what the F\*\*\* do I know I  
just  
speed it up and throw some fuzz on it  
speed it up and throw some fuzz on it

Grind your teeth, dye your hair  
pierce your ass I don't care

feeling the adrenaline flow  
listening to my radio  
play this, play this, play this, play this
