Some may say
You are what you eat
If that is true
Then I am you
And you could be me
If you wanted to
But I am not a cannibal
*I am not unloveable
I am not unthinkable
But I'll have you sunny side up
With dressing on the side
With extra cheese
Hold the tomatoes
Baked not fried
Or medium well
If you can take the heat
For that long
Or a la mode
So good, it can't be wrong*
How do I taste thee
Let me count the ways
I compare you to a creme broulee
Taste or not to taste that is the question
Before I do
May I make a suggestion
That I am not a cannibal
chorus
(this part is kinda hard to understand)
You put the cream and the sugar in the cup
Before the coffee then you don't have to stir it up (4xs)
Cha cha chicken
Come on little chicken
Cha cha chicken come on (4xs)
Your lips is like a magnet
My lips is like a metal
I'm gonna put my metal to your magnet (4xs)
Some may say
You are what you eat
If that is true
Then I am you
And you could be me
If you wanted to

But I am not a cannibal
chorus
