I could be wrong but I'm pretty sure it gonâ€™  
Take a little more than one song to make you love me  
But here we go on with the show  
Baby I could be your juggling monkey

I'd wash cars, sell all my guitars, buy out the whole  
bar  
Just to make you want me  
Hot coals burning up my toes  
Thereâ€™s nothing I wonâ€™t do youâ€™re just that  
lovely

I'm pretty sure you never sleep alone  
Got half the world blowing up your phone  
I could be right but I could be wrong  
But ya need to know

I'd do anything for you itâ€™s true  
I'd go anywhere you want me to  
Tie a rope around a star  
And bring it back to where you are  
Thatâ€™s where I wanna be  
I'd do anything

You know I'd go sell the devil my soul  
If I didnâ€™t lose it that night in Vegas  
Take a loan and buy a new home  
In monogrammed robe so youâ€™d think I'm  
famous

I canâ€™t afford it but I'd buy a billboard with  
Our names in heart cuz you know I'm shameless  
Charge it all on my momâ€™s credit card  
Tat your name on my arm say it was painless
